

Shanti Kids Academy: It is being started with a clear vision of focusing the literacy rate in our country. We are providing such a learning environment for the children that you will be forced by yourself to send your kid in this school. No doubt, facilities being provided are more than enough but fees is ----- proportional to it fees of SKA is very reasonable that an average family can easily afford.

Play, learn and Grow together !!!

SHANTI KIDS ACADEMY

Pre Nursery to Class Vth
